

Mobile Notary First Response is not permitted to charge more than the published rates on the [PA Department of State website](#) for a notarial stamp. If you encounter a PA Notary Public charging more than the below rates, please contact the [Pennsylvania Association of Notaries \(PAN\)](#) at 1-800-944-8790.

Many Notaries do however assess administrative fees to cover their travel or their overhead such as rent, copies, and record keeping. These fees are appropriate as long as they are indicated as separate from the State fee, and they may vary from notary to notary.
